

Pool Log Agreement

I, _____ take full responsibility of care and maintenance of my
(full name, printed)
personal pool located at:

(full address)

By signing this below, I agree to perform daily maintenance checks of the pool while using my pool for Swim With M.E. lessons. I will keep a log to report any findings (i.e., foreign objects in pool, murky water, temperature) and action taken (i.e., pool skimmed, chemicals corrected). The log will be made available to the instructor should they request to see it.

Should the pool not be safe for lessons to be taught in, I agree to inform the instructor and alternate arrangements will be made (i.e., use of public pool, date rescheduled or cancelled).

Instructors reserve the right to test the pool chemicals upon arrival.
